

Docker Introduction

Docker, Inc.
The Company

www.docker.com

The screenshot shows the Docker website homepage. At the top is a navigation bar with the Docker logo, links for 'Why Docker?', 'Products', 'Use Cases', 'Developers', 'Pricing', and 'Company', a search icon, and 'Sign In' and 'Get Started' buttons. The main hero section has a blue background with the text 'Get Started with Docker' and 'We help developers and development teams build and ship apps.' Below this is a 'Get Started' button. To the right is a sidebar with a 'READ MORE' button and a section titled '2020 Developer Survey' showing 'Docker is #1' in the latest Stack Overflow survey. Below this is a 'Docker Partnerships' section with the text 'Integrating the Docker experience you already know and love.' and logos for Microsoft Azure and CNV.

Get Started with Docker
We help developers and development teams build and ship apps.

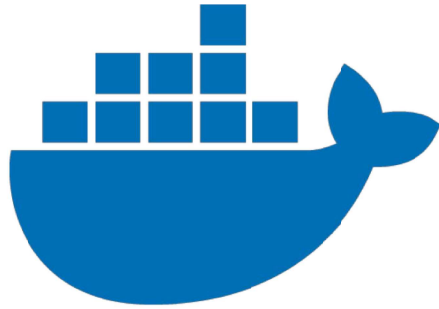

Get Started

2020 Developer Survey
Docker is #1
In the latest Stack Overflow survey as #1 most wanted platform.
